RESEARCH TOPIC INFORMATION

Graduation Project Question (big idea):

Is soccer gaining popularity in the United States?

I will need to answer these questions to determine the answer to my GP Question (small ideas):

- 1.) What is the history of soccer?
- 2.) What is helping to make soccer more popular?
- 3.) How come soccer in America isn't recognized as much as the NFL, MLB and ~~USA~~ NBA?

My rationale for choosing this topic:

I love soccer and feel that this sport should be as popular as football, baseball and basketball.

This topic will be a learning stretch for me because:

Right now I am not too sure if soccer is becoming popular in the U.S. This research will give me ^{more} knowledge.

PRODUCT INFORMATION

Detailed description of potential Product

(location, expenses, materials needed, community involvement, reason for choosing this product):

For my product I want to work with children and teach them soccer. The location will be in Clayton with the soccer league for children.
